

Budding Prospects: A Pastoral (Contemporary American Fiction)

All Felix Nasmyth and friends have to do is harvest a crop of Cannabis Sativa.....and half a million tax-free dollars will be theirs. But they haven't reckoned on nosy Northern California-style neighbors, torrential rain, demands of the flesh, and Felix's improbable new love, a wayward sculptress on whose behalf he undertakes a one-man vendetta against a drug-busting state trooper named Jerpbak. As their deal escalates through crises into nightmare, their dreams of easy money get nipped in the bud.
