Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. About The Innocence Of Father Brown by G. K. Chesterton Father Brown, an ordinary priest whose unremarkable exterior conceals extraordinary crime-solving ability, is celebrated for his solutions to metaphysical mysteries, a genre perfected by his creator, G. K. Chesterton. More than lighthearted comedies built around puzzling crimes, these superbly written tales contain deeply perceptive philosophical reflections.
