

## Mistress Afaf Of Dammam

Afaf Al-Shamrani was born in the City of Dammam, Saudi Arabia, and raised in Dearborn, Michigan, by her Saudi immigrant family. After graduating from the University of Michigan, Afaf became an executive for Cms Energy, which allows her to travel a lot and also engage in casual, kinky encounters with men and women, without fearing judgement. While in Minneapolis for a conference, Afaf meets Maher Osman, a Djibouti-American student at North Central University. Sparks fly between them. Can a relationship between a kinky, independent rebel and a pious brother with a kind heart work ?
