

Aneshus Folly

Renowned as the greatest trickster in the realm, the actor Aneshu travels to the distant desert outpost of Malassar to spy upon an unscrupulous vizier who has eliminated every previous spy planted in his household. No one said espionage was easy, but then, no one warned Aneshu that Amiru ked Shaskan was young, devastatingly handsome, and as dangerous as a cobra. To survive, the actor must turn to his most famous role, and perhaps do the unthinkable.
