

Terror of the Mountain Man

Borders of Blood Smoke Jensen has come to Corpus Christi, Texas, to take delivery of 500 horses he purchased from an old friend. That's when a Mexican revolutionary, Colonel Bustamante Keno, brazenly crashes the border, slaughters 22 innocent U.S. citizens in cold blood, and steals a thousand head of cattle - along with two hundred of Smoke's horses. Going where the U.S. Army and the Texas Rangers cannot, Smoke crosses the border in hot pursuit of Keno. The Mexican Federales capture Smoke and the others and place them under arrest. But as soon as the banditos take something near and dear to a Federales commander, the Mexicans decide that Smoke and his fellow prisoners might come in handy after all. They'll fight a fierce and secret little war the only way the Mountain Man knows how: fierce, relentless, and unforgiving to the bitter, bloody end. Because no man steals from Smoke Jensen and lives to enjoy the ill-gotten goods. Not ever.
