

P is for Pleasure III

DESCRIPTION Kathleen learns to embrace so many erotic fetishes she never knew existed. She's ordered to act as a puppy, punished in front of co-workers; she's required to pee outside like a dog; and even to suck off a police officer. Finally, after being paddled by her son, she must pee her clothes to discover the joy of piss sex. That's only half the story. You see, P really is for pleasure.

EXCERPT I smiled at him and stood while hiking my dress up over my hips to reveal my lingerie which consisted of only a pair of nylons and a green garter belt. I liked the way the green accented the crimson color of my pubic hair. I delighted to feel my son paw my naked ass as I stood and leaned on my desk. Sierra and Daniel stopped to watch, and I enjoyed seeing their eyes fall upon us as I beckoned. These stories have been so very hot, and they've made me truly wet, Son. Slide your dick inside of me and kiss your baby daughter with the head of your cock. I was simply following the rules of the office. Honestly, I was more than ready to cum, as my work had made me quite amorous. I enjoyed my work, especially when reading stories about other mothers having sex with their biological sons. Today had been a wonderful treasure trove of just such material and I needed to feel my own son deep inside my flowing chamber. Philip smiled as he patted my ass, saying, No, Mom. I have to run a special errand for, Dad. That's what Philip called our boss now. But, I wanted to let you know that I have a very special surprise waiting for you at home. Special? I asked, and turned to him with a great smile. Of course, Mom; it's Thursday, our third week anniversary and we need to celebrate. I hadn't thought of that. Though my son could be incredibly crude, which I liked; he was also wonderfully romantic. He was right. Three weeks ago tonight I invited his lovely penis back into my body for the first time and felt the awesome wonder of his

semen filling my unprotected core with his wetness and virile heat. Since that night, I had milked his potent seed inside my breeding glove at least three times a day, and each time he came in me, I imagined it was the moment we conceived his beautiful daughter and sister. I loved how my son treated our relationship as a true romance and would want to celebrate our special days. Ok, darling, but is there anything I can do or bring?
